

## ATR ON FEEDBACK 2016-17

**Question No 1- Syllabus updated enough.**

**Response-** For B.sc biotechnology students out of 100% responses, 63.38% student had given response as very good and 21.12% student has given response as good for this parameter. Only 15.49% has given response as satisfactory that is fewer. Overall response of student is positive.

**Question No 2- The course curriculum intellectually stimulated me.**

**Response-** For B.sc biotechnology students out of 100% responses, 49.29% student had given response as very good and 28.16% student has given response as good for this parameter. Only 22.53% has given response as satisfactory that is fewer. Overall response of student is positive.

**Question No 3- applicability to real life situation.**

**Response-** For B.sc biotechnology students out of 100% responses, 22.53% student had given response as very good and 28.16% student has given response as good for this parameter. Only 49.29% has given response as satisfactory that is fewer. Overall response of student is positive.

**Question No4- learning value in terms of knowledge, concept, skill etc.**

**Response-** For B.sc biotechnology students out of 100% responses, 22.53% student had given response as very good and 56.33% student has given response as good for this parameter. Only 21.12% has given response as satisfactory that is fewer. Overall response of student is positive.

**Question No 5- Learnt new skill in the due course of your study.**

**Response-** For B.sc biotechnology students out of 100% responses,34.50% student had given response as very good and 49.29% student has given response as good for this parameter. Only 16.19% has given response as satisfactory that is fewer. Overall response of student is positive.

**Question No 6–Syllabus created interest to pursue post graduation/Research.**

**Response-** For B.sc biotechnology students out of 100% responses,16.19% student had given response as very good and 34.50% student has given response as good for this parameter. Only 49.29% has given response as satisfactory that is fewer. Overall response of student is positive.

**Question No 7- Depth of the course content including project work.**

**Response-** For B.sc biotechnology students out of 100% responses,56.33% student had given response as very good and22.53% student has given response as good for this parameter. Only 21.22% has given response as satisfactory that is fewer. Overall response of student is positive.

**Question No 8- Balance between theory, practical and application.**

**Response-** For B.sc biotechnology students out of 100% responses,49.29% student had given response as very good and 22.53% student has given response as good for this parameter. Only 28.16% has given response as satisfactory that is fewer. Overall response of student is positive.

**Question No 9 – usefulness for developing social skill.**

**Response-** For B.sc biotechnology students out of 100% responses,56.33% student had given response as very good and 15.49% student has given response as good for this parameter. Only 21.12% has given response as satisfactory that is fewer. Overall response of student is positive.

### Overall Rating

Response- Overall rating for all parameters of feedback for very good remark is 41.15, 30.90 for good remark. 27.96 remark is satisfactory. It indicates that student are happy about all parameters related to curriculum.
