

**Action Taken Report (ATR)  
Feedback on Curriculum from students  
Department of chemistry  
Year 2016-2017**

- **Parameter 1- Syllabus updated enough**

For this parameter Students had given responses as 53.85 % as very good and 46.15 % as good out of 100% , which means syllabus is updated enough for the curriculum. No any students given response as satisfactory and unsatisfactory .

**Action Taken-** There is no need to take any action because all students given very good and good response for this parameter.

- **Parameter 2- The Course Curriculum intellectually stimulated me.**

For this parameter Students had given responses as 46.15 % as very good and 53.85 % out of 100 % , which indicate course curriculum intellectual them. No any students given response as satisfactory and unsatisfactory .

**Action Taken-** There is no need to take any action because all students given very good and good response for this parameter.

- **Parameter 3- Applicability to real life situation.**

For UG students out of 100 % responses, 50.00 % students had given response as a very good and 50.00 % students has given response as good for this parameter . It indicate that curriculum design is applicable in real life situation. No any students given response as satisfactory and unsatisfactory .

**Action Taken-** There is no need to take any action because all students given very good and good response for this parameter.

- **Parameter 4- Learning values in terms of knowledge, concept, skill etc.**

This parameter got the 52.30% as very good response and 47.70% as good response. which means Learning values in terms of knowledge, concept, skill etc. are good enough.

**Action Taken-** There is no need to take any action on this parameter.

- **Parameter 5- Learnt new skill in the due course of your study.**

This parameter carried 47.70% as very good response and 52.30 % as good response out of 100% it indicate they study new skill their study.

**Action Taken-** There is no need to take any action on this parameter because all students give very good and good response for this parameter..

- **Parameter 6- Syllabus created interest to pursue post-graduation /Research**

53.85 % students responded as very good and 46.15 % good for this parameter, they showed the syllabus create interest to pursue post graduation and research in this subject.

**Action Taken-** There is no need to take any action on this parameter.

- **Parameter 7- Depth of the course content including project work.**

This parameter carried 55.38% as very good response and 44.62 % as good response. It indicate student feels that depth of course content including project work is good.

**Action Taken-** So there is no any action is applicable for this parameter.

- **Parameter 8- Balance between theory, practical and application**

This parameter carried the 56.15% as very good and 43.85% as good response , it indicate good balance between theory, practical and application.

**Action Taken-** So there is no need to take action for this parameter.

- **Parameter 9- Usefulness for developing social skill.**

This parameter got the 34.61 % with very good response and 65.39 % as good response by students, which indicate curriculum is useful for developing social skill too..

**Action Taken-** So there is no any action is applicable for this parameter.
