

ATR ON FEEDBACK 2017-18

Question No 1- Syllabus updated enough.

Response- For B.sc biotechnology students out of 100% responses, 51.02 % student had given response as very good and 30.61% student has given response as good for this parameter. Only 18.36% has given response as satisfactory that is fewer. Overall response of student is positive.

Question No 2- The course curriculum intellectually stimulated me.

Response- For B.sc biotechnology students out of 100% responses, 30.61% student had given response as very good and 35.71% student has given response as good for this parameter. Only 33.67% has given response as satisfactory that is fewer. Overall response of student is positive.

Question No 3- applicability to real life situation.

Response- For B.sc biotechnology students out of 100% responses, 40.81% student had given response as very good and 35.71% student has given response as good for this parameter. Only 23.46% has given response as satisfactory that is fewer. Overall response of student is positive.

Question No4- learning value in terms of knowledge, concept, skill etc.

Response- For B.sc biotechnology students out of 100% responses, 28.06% student had given response as very good and 45.91% student has given response as good for this parameter. Only 26.02% has given response as satisfactory that is fewer. Overall response of student is positive.

Question No 5- Learnt new skill in the due course of your study.

Response- For B.sc biotechnology students out of 100% responses,38.77% student had given response as very good and 29.59% student has given response as good for this parameter. Only 31.63% has given response as satisfactory that is fewer. Overall response of student is positive.

Question No 6–Syllabus created interest to pursue post graduation/Research.

Response- For B.sc biotechnology students out of 100% responses,30.61% student had given response as very good and 48.97% student has given response as good for this parameter. Only 20.40% has given response as satisfactory that is fewer. Overall response of student is positive.

Question No 7- Depth of the course content including project work.

Response- For B.sc biotechnology students out of 100% responses,33.67% student had given response as very good and 30.61% student has given response as good for this parameter. Only 35.71% has given response as satisfactory that is fewer. Overall response of student is positive.

Question No 8- Balance between theory, practical and application.

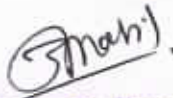

Response- For B.sc biotechnology students out of 100% responses,44.89% student had given response as very good and 39.79% student has given response as good for this parameter. Only 15.30% has given response as satisfactory that is fewer. Overall response of student is positive.

Question No 9 – usefulness for developing social skill.

Response- For B.sc biotechnology students out of 100% responses,38.26% student had given response as very good and 33.67% student has given response as good for this parameter. Only 28.06% has given response as satisfactory that is fewer. Overall response of student is positive.

Overall Rating

Response- Overall rating for all parameters of feedback for very good remark is 37.41, 36.73 for good remark. 25.84 remark is satisfactory. It indicates that student are happy about all parameters related to curriculum.
