ATR on Feedback 2017-18 Computer Science(BSC)

Question 1: Syllabus updated enough

Response:-For UG students out of 100 % responses ,55.22 % students had given response as a v. good and 29.85 % students has given response as good for this parameter . Only 14.92% has given response as satisfactory that is fewer.

Question 2: The Course Curriculum intellectually stimulated me.

Response: For UG students out of 100 % responses ,59.70 % students had given response as a v. good and 29.85 % students has given response as good for this parameter . While 14.44 % has given response as satisfactory that is very less.

Question 3: Applicability to real life situation.

Response: For UG students out of 100 % responses, 52.23 % students had given response as a v. good and 37.31 % students has given response as good for this parameter .It indicate that curriculum design is applicable in real life situation .Some of students had given remark as satisfactory i.e. 10.44 % . **Question 4: Learning values in terms of knowledge, concept, skill etc.**

Response: For UG students out of 100 % responses, 44.77% students had given response as a v. good and 29.85 % students has given response as good for this parameter . Very few 14.92 % express as satisfactory. for this remark 10.44 % express as unsatisfactory for this parameter

Question 5: Learnt new skill in the due course of your study.

Response: For UG students out of 100 % responses, 67.16 % students had given response as a v. good and 22.38 % students has given response as good for this parameter . Very few 8.95 % express as satisfactory. for this remark 1.49 % express as unsatisfactory for this parameter

Question 6: Syllabus created interest to purse post-graduation /Research.

Response: For UG students out of 100 % responses, 44.77 % students had given response as a v. good and 44.77% students has given response as good for this parameter .It indicate student think that syllabus that is designed to create interest very well . Only 10.44 % students remark is satisfactory which is very few.

Question 7: Depth of the course content including project work.

Response: For UG students out of 100 % responses, 74.62 % students had given response as a v. good and 14.92% students has given response as good for this parameter . Only 10.44 % students express remark as satisfactory.

Question 8: Balance between theory, practical and application.

Response: For UG students out of 100 % responses, 67.16 % students had given response as a v. good and 29.85 % students has given response as good for this parameter . Only 2.98% students express remark as satisfactory.

Question 9: Usefulness for developing social skill.

Response: For UG students out of 100 % responses, 55.22 % students had given response as a v. good and 29.85 % students has given response as good for this parameter. Only 14.92% students express remark as satisfactory which is very few.

Overall Rating

Response: - Overall rating for all parameter of feedback for good remark is 57.87 V. Good, 29.847for good remark. Few of remarks is 10.938 satisfactory and 1.325 unsatisfactory. It indicate that students are happy about all parameters related to curriculum.

ATR on Feedback 2017-18 Computer Science(MSC)

Question	V. Good	Good	Satisfactory	Unsatisfactory
Syllabus Updated enough	50 % students had given response as a v. good. It indicate that students response about syllabus update is very well. No more action needed.	33.33% students had given response as a good. It specify that students feels that syllabus updated is enough.	Very few 16.66% express remark this. No more action needed.	
The course Curriculum intellectually stimulated me	66.66% students had given response as a v. good. It indicate that student are happy about stimulation they get from course curriculum intellectually. No more action needed.	33.33% students had given response as good. It point out that course curriculum stimulate them is good.		
Applicability to real life situation	100 % students had given response as a v. good. It indicate they can apply course curriculum very well in real life. No more action needed.			
Learning values in terms of knowledge, concept, skill etc.	66.66 % students had given response as a v. good. It indicate student get learning values very well through course curriculum.	16.66% students had given response as good. It indicate that no more action is needed.	Very few 16.66% express remark this. No more action needed.	

Learnt new skill in the due course of your study	For PG students out of 100 % responses, 86.66% students had given response as a v. for this parameter . It indicate student learnt new skill is good . This remark indicate that no more upgrading is needed.	6.66% students has given response as good for this parameter	Very few 6.66% express as satisfactory	
Syllabus created interest to pursue post graduation/Research	For PG students out of 100 % responses,83.33 % students had given response as a v. good and % students has given response as good for this parameter .It indicate student think that syllabus that is designed to create interest very well. It helps students to develop interest in them to purse post-graduation/research .No more action is needed.	10% students has given response as good for this parameter	Only 6.66% students remark is satisfactory which is very few.	
Depth of the course content including project work	For PG students out of 100 % responses, 50% students had given response as a v. good and . It indicate student feels that depth of course that contain project work is good. No more action is needed.	50% students has given response as good for this parameter		
Balance between theory ,practical and applications	For PG students out of 100 % responses, 90% students had given response as a v. good .It indicate student feels that curriculum can	6.66% students has given response as good for this parameter.	Only 3.33% students express remark as satisfactory which is very few.	

	make Balance between theory, practical and application very well. No more action is needed.			
Usefulness for developing social skill	For PG students out of 100 % responses, 50 % students had given response as a v. good . All these indicate student can use curriculum to develop social skill among them. No more action is needed.	50% students has given response as good for this parameter.		
Overall rating	71.47% students had given response as a v. good . 22.96% students had given response as a good . 5.55% students had given response as a Satisfactory .It indicate that students are happy about all parameters related to curriculum.
