

**Action Taken Report (ATR)
Feedback on Curriculum from students
Department of chemistry
Year 2017-2018**

- **Parameter 1- Syllabus updated enough**

For this parameter Students had given responses as 52.95 % as very good and 47.05 % as good out of 100% , which means syllabus is updated enough for the curriculum. No any students given response as satisfactory and unsatisfactory .

Action Taken- There is no need to take any action because all students given very good and good response for this parameter.

- **Parameter 2- The Course Curriculum intellectually stimulated me.**

For this parameter Students had given responses as 55.88 % as very good and 44.12 % out of 100 % , which indicate course curriculum intellectual them. No any students given response as satisfactory and unsatisfactory .

Action Taken- There is no need to take any action because all students given very good and good response for this parameter.

- **Parameter 3- Applicability to real life situation.**

For UG students out of 100 % responses, 58.82 % students had given response as a very good and 41.18 % students has given response as good for this parameter . It indicate that curriculum design is applicable in real life situation. No any students given response as satisfactory and unsatisfactory .

Action Taken- There is no need to take any action because all students given very good and good response for this parameter.

- **Parameter 4- Learning values in terms of knowledge, concept, skill etc.**

This parameter got the 57.65% as very good response and 42.35% as good response. which means Learning values in terms of knowledge, concept, skill etc. are good enough.

Action Taken- There is no need to take any action on this parameter.

• **Parameter 5- Learnt new skill in the due course of your study.**

This parameter carried 55.88% as very good response and 44.12 % as good response out of 100% it indicate they study new skill their study.

Action Taken- There is no need to take any action on this parameter because all students give very good and good response for this parameter..

• **Parameter 6- Syllabus created interest to pursue post-graduation /Research**

64.70 % students responded as very good and 35.30 % good for this parameter, they showed the syllabus create interest to pursue post graduation and research in this subject.

Action Taken- There is no need to take any action on this parameter.

• **Parameter 7- Depth of the course content including project work.**

This parameter carried 70.59 % as very good response and 29.41 % as good response. It indicate student feels that depth of course content including project work is good.

Action Taken- So there is no any action is applicable for this parameter.

• **Parameter 8- Balance between theory, practical and application**

This parameter carried the 76.47 % as very good and 23.53% as good response , it indicate good balance between theory, practical and application.

Action Taken- So there is no need to take action for this parameter.

• **Parameter 9- Usefulness for developing social skill.**

This parameter got the 82.35 % with very good response and 17.65% as good response by students, which indicate curriculum is useful for developing social skill too..

Action Taken- So there is no any action is applicable for this parameter.
