

## ATR on Feedback 2018-19 Computer Science(BSC)

### Question 1: Syllabus updated enough

**Response:**-For UG students out of 100 % responses ,81.81 % students had given response as a v. good and 9.09 % students has given response as good for this parameter . Only 9.09 % has given response as satisfactory that is fewer.

### Question 2: The Course Curriculum intellectually stimulated me.

**Response:** For UG students out of 100 % responses ,72.72 % students had given response as a v. good and 18.18 % students has given response as good for this parameter . While 9.09 % has given response as satisfactory that is very less.

### Question 3: Applicability to real life situation.

**Response:** For UG students out of 100 % responses, 69.09 % students had given response as a v. good and 21.81 % students has given response as good for this parameter .It indicate that curriculum design is applicable in real life situation .Some of students had given remark as satisfactory i.e. 7.27 % . for this remark 1.81 % express as unsatisfactory for this parameter

### Question 4: Learning values in terms of knowledge, concept, skill etc.

**Response:** For UG students out of 100 % responses, 63.63 % students had given response as a v. good and 27.27% students has given response as good for this parameter . Very few 9.09 % express as satisfactory.

### Question 5: Learnt new skill in the due course of your study.

**Response:** For UG students out of 100 % responses, 80 % students had given response as a v. good and 10.90 % students has given response as good for this parameter . Very few 9.09 % express as satisfactory.

### Question 6: Syllabus created interest to pursue post-graduation /Research.

**Response:** For UG students out of 100 % responses, 90.90 % students had given response as a v. good and 5.45 % students has given response as good for this parameter .It indicate student think that syllabus that is designed to create interest very well . Only 3.63 % students remark is satisfactory which is very few.

### Question 7: Depth of the course content including project work.

**Response:** For UG students out of 100 % responses, 94.54 % students had given response as a v. good and 3.63 % students has given response as good for this parameter . Only 1.81 % students express remark as satisfactory.

### Question 8: Balance between theory, practical and application.

**Response:** For UG students out of 100 % responses, 90.90 % students had given response as a v. good and 9.09% students has given response as good for this parameter .

**Question 9: Usefulness for developing social skill.**

**Response:** For UG students out of 100 % responses, 89.09 % students had given response as a v. good and 7.27% students has given response as good for this parameter. Only 1.81 % students express remark as satisfactory which is very few. for this remark 1.81 % express as unsatisfactory for this parameter

**Overall Rating**

**Response:** - Overall rating for all parameter of feedback for good remark is 81.40 V.Good, 12.52 for good remark. Few of remarks is 5.65 satisfactory and 0.40 unsatisfactory. It indicate that students are happy about all parameters related to curriculum.

### ATR on Feedback 2018-19 Computer Science (MSC)

Question	V. Good	Good	Satisfactory	Unsatisfactory
<b>Syllabus Updated enough</b>	93.75 % students had given response as a v. good. It indicate that students response about syllabus update is very well. No more action needed.	3.12 % students had given response as a good. It specify that students feels that syllabus updated is enough.	Very few 3.12 % express remark this. No more action needed.	
<b>The course Curriculum intellectually stimulated me</b>	90.62 % students had given response as a v. good. It indicate that student are happy about stimulation they get from course curriculum intellectually. No more action needed.	6.25 % students had given response as good. It point out that course curriculum stimulate them is good.	Very few 3.12 % express remark this. No more action needed.	
<b>Applicability to real life situation</b>	78.12 % students had given response as a v. good. It indicate they can apply course curriculum very well in real life. No more action needed.	15.62 % students had given response as good. It point out that students are happy about applicability of course curriculum in real life.	Very few 6.25 % express remark this. No more action needed.	
<b>Learning values in terms of knowledge, concept, skill etc.</b>	87.5 % students had given response as a v. good. It indicate student get learning values	9.37 % students had given response as good. It	Very few 3.12% express remark this. No more	

	very well through course curriculum.	indicate that no more action is needed.	action needed.	
<b>Learnt new skill in the due course of your study</b>	For PG students out of 100 % responses, 93.75 % students had given response as a v. for this parameter . It indicate student learnt new skill is good . This remark indicate that no more upgrading is needed.	6.25% students has given response as good for this parameter		
<b>Syllabus created interest to pursue post graduation/Research</b>	For PG students out of 100 % responses, 81.25 % students had given response as a v. good and % students has given response as good for this parameter .It indicate student think that syllabus that is designed to create interest very well. It helps students to develop interest in them to pursue post-graduation/research .No more action is needed.	12.5 % students has given response as good for this parameter	Only 6.25% students remark is satisfactory which is very few.	

<b>Depth of the course content including project work</b>	For PG students out of 100 % responses, 96.87 % students had given response as a v. good and . It indicate student feels that depth of course that contain project work is good. No more action is needed.	3.12 % students has given response as good for this parameter		
<b>Balance between theory ,practical and applications</b>	For PG students out of 100 % responses, 96.87 % students had given response as a v. good .It indicate student feels that curriculum can make Balance between theory, practical and application very well. No more action is needed.	3.12 % students has given response as good for this parameter.		
<b>Usefulness for developing social skill</b>	For PG students out of 100 % responses, 90.62 % students had given response as a v. good . All these indicate student can use curriculum to develop social skill among them. No more action is needed.	9.37 % students has given response as good for this parameter.		
<b>Overall rating</b>	89.92 % students had given response as a v. good . 7.63 % students had given response as a good .2.42 % students had given response as a Satisfactory .It indicate that students are happy about all parameters related to curriculum.
